

The American Society
of Mechanical
Engineers
Delaware Section

The Delaware Section of ASME cordially invites you to the

University of Delaware Senior Design Presentations

Monday - December 14, 2009

at the Perkins Student Center, University of Delaware

Time: 8 AM to 5:30 PM

- **Time to see what the up-and-coming minds in Mechanical Engineering at the University of Delaware have been working on all fall semester.**
- **There will be sixteen presentations. An itinerary for the day will be posted by November 14 at: <http://www.me.udel.edu/meeg401>**
- **All ASME Members are invited to share in as much of the day as they wish - and can fit in their hectic schedules!**

Come Out and Help Evaluate the Senior Design Projects:

- **Please consider helping to evaluate these Senior Design Projects.**
- **Senior Design Team recognition will be at the Student Appreciation Night and Member dinner meeting in February, which is co-sponsored by ASME Delaware Section and the University of Delaware Mechanical Engineering Department.**
- **You do not have to be present for the entire day to help the ASME Delaware Section evaluate the presentations!**
- **If you are interested, please contact Jim Glancey at 302-831-1179 or jglancey@udel.edu.**
