

## ASME Executive meeting March 24, 2008

### Attendees:

Mike Prime  
Mike Steinzig  
Snezana Konecni  
Partha Rangaswamy  
Balu Nadiga  
Richard Browning  
Anne Browning  
Jessica Clark  
Suzanne Hay

### Notes:

- Report on Dinner meeting Joint meeting with IEEE on March 18

Mike P reported: 13 ASME Members Our cost \$191

- Money donated to the NNM ASME section

We got \$210 as donations from membership. Not sure from which member or what this money is intended for.

- Zana Konecni :Report form the E-night. It was held at HS cafeteria on February 20. From the sign -in sheets we counted 450 participants. There were over 50 Demonstrations and 100 volunteers, of which 25 were form ASME, and about 20 Girls Scouts. NNM ASME spent: \$950 for Pizza, \$377 for sandwiches, fruit and drinks , \$70 for corn starch and 208 for advertising to the Monitor, total \$1600. Still need to check with ASM if they need more money.
- Treasures report( Anthony P):

Activa check was reissued from the previous GD&T class. From this class we got a check for \$2000. We have about \$12000 in the checking account,\$12000 in a saving, and a CD for \$10000.

- March 24tt GD&T I class has 14 students. We need to decide on a level 2 class. This time nobody signed up so we had to cancel the class. Put a survey on the WEB for a June class and if more than 7 show interests offer Level 2 or stacks.
- Richard Browning mentioned that Ed Rodriguez might teach in Virginia Boiler and Pressure vessel Refresher class. Ed is not certified instructor but can teach a

containment vessel class. We can pay for Ed to get certified if he wants to do that. Richard Browning will talk to Ed R.

- Officer nominations for 2008-2009 and plans for elections.

Suzanne Hay Chair

Balu Nadiga Secretary

Anthony Puckett Treasurer

Partha Rangaswamy Vice Chair

Richard Browning election officer.

Due April 10<sup>th</sup>.

In the new mailing ask for the volunteers for committees like a newsletter editor.

- New Web master needed. Mike P. uses Dream Weaver for the WEB. Buy a new license for our section. How about a laptop?

Mike S will look at the issue of Lab sponsored organizations. Is ASME ONE OF THOSE.

- Activities for next few months. We need lunch speakers.

No Farmington meeting this spring.

Member picnic June. Need volunteer.

Lunch meeting in April Malcom Andrews.

Snow Making at Pajarito possible lunch topic. Suzanne will talk with the Pajarito Ski club about it. Suzanne proposed a Lunch talk from Insulation company : No interests

- Update from Richard on Awards Committee

Richard: Showed the brochure from the web site. There are a few awards for junior. ASME national has a few for high level members who are already fellows and are based on number of publications

Section can do an award for dedicated members for volunteering.

Engraved name tags. Richard will find out the price for those.

Make up few awards for the section. Jessica would make the call for “ young engineer” awards. Richard and Mike P for the others.
