

HPS 2008

Greetings from the Human Powered Submarine Contest 2008 Staff!

We're already gearing up for another great event in July of next year at the Offshore Marine Basin in Escondido California. Past events have been a huge success due to the fantastic teams and the incredible support of San Diego's Safety Diver Volunteers, Corporate Sponsors, Event Support Staff, and crowds cheering on the team. We thank everyone for their past support!!

NEW WEBSITE

The HPS 2008 website is being updated and can be located at:

<http://sections.asme.org/sandiego/HPS2008.htm>

Our website is currently under construction but many of forms have been updated.

TEAM REGISTRATION

The team registration forms have been updated and can be downloaded in pdf form under the [Registration Info](#) section. If you have any problems downloading the forms or are unable to read a pdf file, please email [Travis Hull](mailto:Travis.Hull) and we'll correct any issues.

Please note that the Team Entry Form and \$200 Registration Deposit are due January 31, 2008.
