The Tallahassee Section welcomes back the student members, with a tour of the Hopkins Plant and cookout.

Students, so that we can get an approximate head count for buying food, please RSVP to your student Club Advisor No Later Than Monday, September 28th.

The Plant is located about 5 miles west of Capital Circle SW on 1125 Geddie Road, between US 90 West (W. Tennessee) and HWY 20, Blountstown Highway.

Safety and Dress Code:

This is an operating power plant, please do not wear shorts or loose fitting shirts. Shoes must be closed toe preferably leather. If you have a hard hat and safety glasses, please bring them, as the plant has a limited number.

Student Section Leaders, please RSVP the number of students attending to Sid Kamath at kamaths2@asme.org, or Ben Cowart at cowntb2@asme.org.

Thank you in advance to Triveni Singh and the Hopkins Plant for hosting this Welcome Back Students Event.
